<b>Title</b>	<b>Environmental Policy</b>		

London Rock Supplies Ltd provides solutions in aggregate production from primary and recycled sources from its facility at Unit 1, Stirling Court, Stirling Way, Borehamwood, WD6 2BT.

We are committed to operating and maintaining all of our activities and operations in an organised and responsible manner, endeavouring at all times to ensure that the environment is not harmed by our activities, products or services. We believe it is necessary to adopt sound management practices, in which the protection of the environment is of a high priority.

**The Director of this organisation commits to:**

- Comply with legal and other applicable requirements as a minimum.
- Seek continual improvement; setting and regularly reviewing objectives and targets arising from the significant environmental aspects of our activities, products and services;
- Operate facilities to prevent pollution, maximise operational efficiency, conserve natural resources, avoid nuisance and minimise the impact and quantity of any waste;
- Reduce energy use wherever possible.
- Communicate this policy to all persons working on behalf of the organisation;
- Comply with the requirements of the Environmental Standard BS-8555:2003 to phase 3.
- Provide training and instruction for all employees, and others working on behalf of the organisation who may have a significant impact on the environment.
- Make this policy available to all stakeholders and the public upon request.

The Director has overall responsibility for ensuring that the policy commitments are met. Management will implement the policy on a day to day basis, making resources available within their areas of responsibility, and review performance regularly.

All employees have a responsibility to themselves, their colleagues and to the community, to care for the environment and achieve the high standards required by this policy.

The implementation of this policy is supported by the roles & responsibilities documents and a series of procedures and work instructions. This policy will be reviewed at least annually by the Director, and shall be subjected to independent audit on a regular basis.

James Jeffries.
